II. SENTENCE RELATIVE T	O AMENDED	ΓERMS:
☐ Conditions of supervised release set forth in judgment are to remain in effect. ☐ Conditions of supervised release set forth in judgment are to remain in effect, with the following modifications:		

As an additional condition of supervised release, the first 6 months of Defendant's supervised release will be served under conditions of home incarceration with permission to leave her residence only for verified medical appointments and treatment.

Defendant is further ORDERED to comply with any period of quarantine directed by medical staff and/or any state or local health authority.

III. ADDITIONAL COMMENTS:

Consistent with the parties' August 28, 2020 Stipulation, dkt. 456, the Court finds that Defendant has exhausted all administrative rights to appeal with the Bureau of Prisons. The Court also finds that extraordinary and compelling reasons warrant a sentence reduction, that Defendant does not pose a danger to any other person or the community, and that the sentencing factors in 18 U.S.C. § 3553(a) weigh in favor of granting the motion.

The Bureau of Prisons shall release Defendant from custody no later than August 31, 2020, at 4:00 p.m.

Defendant shall arrange her own transportation back to Indianapolis, Indiana, upon her release from the custody of the Bureau of Prisons.

Defendant shall make contact with the U.S. Probation Office in the Southern District of Indiana within 72 hours of her release from the Bureau of Prisons.

Except as provided above, all provisions of the judgment dated 04/11/2019 shall remain in effect.

IT IS SO ORDERED.
